

## **Copy of Software License Agreement for ThorGuard Client Version 5**

### Software license agreement

AMAG Technology provides this software and grants you a non-exclusive license for its use.

AMAG Technology owns this software and retain copyright to the software.

The software is provided "as is" without any warranty of any kind. You resume responsibility for selection of this software for your purposes, and for the installation, use, and results from the use of the software.

This agreement becomes effective when you accept these terms by installing the software.

The software is licensed to you as follows:

1. You are only authorized to use this software in accordance with the number of licenses purchased.
2. You may make a single backup copy of this software for your own use.

This license and your rights to use the software automatically terminates if you fail to comply with the provisions of this agreement
